Policy on Infrastructure

The institution has a policy to provide excellent infrastructural facilities for effective teaching and learning. Respective departments submit departmental requirements to IQAC. After discussion and as per the needs IQAC forwards it to the Principal, College Purchase Committee and LMC. On receiving approval from the Parent Institute, the proposal is implemented.

The specific policies are as under:

- The college finds out possible funding sources from the Parent Institute for constructing, upgrading and maintaining the buildings
- A proper allocation of the funds received from the Parent Institute, UGC, QIP of B.C.U.D. (S.P.P.U., Pune) is made and utilized for the infrastructure and necessary facilities
- The college develops basic infrastructure of buildings, classrooms, laboratories, seminar halls and sports facilities
- The Parent Institute appoints engineers to create and maintain the infrastructure
- The college provides furniture for the classrooms, laboratories, library and office
- All sports facilities are provided in gymnasium
- Playground is available for different types of games
- For the better networking, the college maintains networked computers
- The system administrator looks after the maintenance and up-gradations of the computer

- Technology based instruments and equipments such as computers, laptops, LCD projectors, etc. are purchased for the effective teaching and learning
- High-speed internet for using e-resources is made available
- The website of the college is dynamic and updated regularly by the departments and faculty
- The college organizes seminars/workshops for faculty enrichment
- The administrative and library services are computerized
- Departments are suggested to make available study materials e.g. e-books, video lectures from you tube, NPTEL for ready reference of students.
- The library acquires the latest editions of books, e-books and journals.
