Yuva Mitra's intervention in the area of Skill development & promoting Community Based Enterprises

Skill Development

In association with Bosch India Foundation, Bangalore Yuva Mitra is undertaking Skill Development program to make our human resource an integral part of development process to achieve the following objectives –

- ✓ To equip rural youth of Sinnar and Igatpuri block of Nashik district with skill sets by undertaking vocational courses
- ✓ To provide youth in the area with employment opportunities in the local area
- ✓ To develop technical manpower in Agriculture and Industry sector
- ✓ To develop entrepreneurship among youth
- ✓ To provide technical skills for unskilled agriculture labourers

Currently Four courses are conducted through this program –

- 1) Agriculture & Dairy
- 2) Electrician
- 3) Fashion Designing
- 4) Basic Computer and DTP

Earlier we had undertaken Fabrication and Plumbing courses also.

Each of these courses is for a period of four months and we have been undertaking this program since last three years. Till now 460 students participated in this program and the placement ratio has been around 60%. The average income earning has been Rs 6500/- pm.

Promoting Community Based Enterprises

1) Devnadi Valley Agricultural Producers' Company Limited

To improve the collective bargaining power of farmers especially small and marginal farmers we have formed Devnadi Valley Agricultural Producers' Co. Ltd under which we started Agri Mall activity and 900 farmers are the members of this company. The objective is to reduce the input cost of these member farmers by developing tie-ups with input suppliers which ensures quality inputs at correct price and tap the opportunities created through retail internationalization by

skilled manpower in Agriculture & Dairy Industry and Construction industry with emphasis on Electrician course and it comes in High and medium priority mapping for GOI.

Yuva Mitra proposes to develop knowledge partnership with Sinnar College through which synergies can be developed wherein College can provide human resource pool to Yuva Mitra and create a win-win situation. Also through joint efforts of Yuva Mitra and Sinnar college convergence can be developed with Government of Maharashtra to utilize the National Skill Development Framework.

Resource pool required for

- Skill Development program
- Internship program
- Social Entrepreneurship Development Program

Outcome

- Students would be able to enhance their skills in the sector of Agriculture & Dairy, Electrician, Computers and Fashion Designing
- Yuva Mitra will get the participants to undertake skill training program
- Students sensitized to rural dynamics
- Create a culture of innovation/idea generation
- First-hand experience of working in the areas of planning, implementation & monitoring of assigned tasks in community based organizations
- Development of interpersonal skills
- Availability of manpower to develop operational & managerial efficiency in community based Organizations / FPOs etc.
- Convergence with GOM can enable to create skilled manpower for Agriculture & Dairy and Construction Industry.
