Sub: Seeking permission for "Cyber Safety Awareness" Presentation

Respected Sir/Madam,

Quick Heal Foundation is an independent entity of Quick Heal Technologies Ltd, implementing Quick Heal CSR activities all over India. This organization has been registered under Societies Act / Trust act. "Cyber Safety Awareness" is an effort by Quick Heal Foundation across India, working together with college students, to put into effect better practices and safeguards to combat cyber-crimes. The mission of this project is to keep the kids safe online.

As kids grow up in this digital age, keeping up with the latest trends and technology is a part of everyday life. Parents, on the other hand, are oftentimes less savvy than their kids when it comes to cyber behavior. Due to lack of cyber awareness many crimes are happening online and is bound to increase drastically in near future. Having sensed the potential online danger, Quick Heal foundation has taken an initiative of CYBER SAFETY awareness program among the school kids.

Seeking your permission for the approval of CYBER SAFETY awareness program in your school. This program will give students the knowledge about online safety and preventive measures. The program requires 45 minutes' session. The presentation is for groups: Std. 5 - 7, 8 - 10 junior college and senior college students.

Looking forward to a favorable response from you.

Thanking you,

Yours Truly,

Ajay Shirke
Sr. Manager CSR
Quick Heal Foundation
