STUDY TOUR AT MALVAN

Feb 2019-2020

The students of T.Y.B.sc. Zoology and M.Sc. Zoology visited at Kokan, to visit Amision Fisheries Institute, Marine Water Ecosystem, Tarkarli Beach, Sindhudurga Fort and Ganpatu Pule during 13th Feb 2020 to 16th Feb 2020 as per following programme.

13th Feb. 2020: As per decided earlier with kind permission of respected Sirchitnis Smt. Nileematai Pawar , Maratha Vidya Prasarak Samaj, Nashik .29 girls, 10 boys ,4 staff and 1 peon travelled by State Transport semi luxury bus. After dinner at home every student remains present at Sinnar bus stand exactly at 7.30 pm. We have started our journey by bus exactly at 8.15 pm. On the way from Sinnar to Malvan. The students haven't observed anything, as it was night. During night journey, at various toll plazas some students become fresh with cup of tea along with driver and Staff of college. We travel via Pune, Satara, and Kolhapur to Malvan.

14th Feb 2020: By the second day we reach at the Malvan. Due to earlier planning of residence the bus travels towards Abhiruchi Resort, all the students up to 1 pm becomes ready to visit Sindhudurga fort, therefore we travel towards the sindhudurg fort by our bus. On the way students observes some terrestrial birds like Kingfisher, Black Ibis, White Ibis and dense forest of Kokan Through the boat, we reach at Sindhudurga Fort and in the sea observed some semi aquatic birds. Visit to Sindhudurga Fort although not part of our study but in the memories of Chatrapati Shivaji Maharaj, we visited the fort, after visiting Sindhudurga fort students takes the lunch. After the lunch we visit Chivla Beach for the collection of molluscan shells. Then all the members visited to Rock Garden which was an amazing experience. Then all of us travel towards Abhiruchi Resort for dinner and rest. The Resort rooms were too comfortable.

15th Feb 2020: Early in the morning at 5 am all students take their bath and breakfast with cup of tea and become ready up to 8 pm so as to visit Amision

Fisheries Ltd. In this institute the students observe various instruments and fish preservation techniques. Mr. Mahendra Maydglul of Amision Fishery Ltd, guide the students and shown various departments and their functions in the fish preservation ,such as use of Ammonia for cold storage ,the freezing of fishes at -40 degree centigrade and their export . After visiting and getting valuable information as per syllabus of university, students become satisfied and they express their vote of thanks to the Manger of this Institute.

After visiting fishery institute students visit Tarkarli Beach for collection of molluscan shells and to observe live sea cucumber and star fishes. The students get very much interested in the collection. After memorial visit at Tarkarli we travels towards Ganpatipule by Goa-Mumbai Express highway. On the way all of us take a lunch and at 6 pm we reach at Ganpatipule and Worship the god Ganesh at pule village of Ratnagiri District. As a part of Hindu culture and grace of god we all are happy by travelling too much. At 8 pm we leave Ganpatipule and travel towards Sinnar. Meanwhile we also take dinner and reach at Sinnar at 1 pm. on Sunday 16th Feb. 2020.

Two ladies staff members namely Prof. Miss. Gauri Shahane and Prof. Smt. Dipika Jangam, along with Dr. P. R. Kokate (Head of the Department) and Prof. V.S.Varpe take efforts for successful of the educational tour.
