

About College

G.M.D.Art's,B.W.Commerce and Science College,Sinnar.

Nashik District Maratha Vidya Prasarak Samaj had established Sinnar College with the motto 'Welfare of the masses'. It had certainly helped in the emerging scenario of Sinnar. It had definitely contributed to the development of Sinnar as an industrial zone as well as socio-cultural and political upgradation. While celebrating the year of the golden jubilee, it could be seen that the college had been shaping the careers of various eminent doctors, industrialists, lawyers, scholars, architects, technicians, and bureaucrats. With the inspiration and efforts of Late Shankarseth Waje, Late Shankarrao Nawale, Late Kakasaheb Wagh, Late Babu Seth Sarada, and Late Nanasaheb Gadakh, the dream of the establishment of a college became a reality. The workers in Widi Udhyog came together and contributed a rupee from their meager wages. Due to the conviction of Mamasahab Dandekar, these workers all together collected the fund of Rs. 35,000 for the establishment of the college.

The college opened in June 1969, with 102 male and 17 female students. Due to the donations from various sectors, the college could flourish with its infrastructure. In June 1981, the college established the faculty of science. Well-qualified and experienced professors contributed a lot to the overall development of the students. The legacy of eminent principals is followed by the college, from Dr. A. B. Brahmkar to Dr. P. V. Rasal. Along with the eminent and efficient management members, the college is getting academically prosperous for the betterment of the masses. With the help of quality-based education, experienced staff, well-equipped infrastructure, and appropriate administration, the college has acquired B++ and A grades in the first and second cycles of NAAC, respectively.

At present, there are..... students in the college who are pursuing their UG degrees like B.A. (in defense, Economics, English, Geography, History, Political Science, and Marathi), B.Com., and B.Sc. B.Sc(Comp.Sci.), B.Voc., and PG degrees like M.A.(in Defense, Economics, English, Geography, Political Science, Marathi), M.Com., and M.Sc. (Chemistry, Physics, Zoology). Along with this, the college offers a Research degree like a Ph.D. in Chemistry and Commerce. Well-equipped classrooms, laboratories, research laboratories, and libraries are made available for the students. Various chronicles, journals, reference books, and text books can be accessed by students and teachers. Inlibnet access is also provided to the teachers and students for upgrading themselves. A well-developed gymkhana with all the facilities for indoor and outdoor games, like a ground for basket ball

and a 400-meter running track, is made available by the college. The college has acquired different technologies to provide easy access to knowledge for the students. NSS, NCC, and hostel facilities for girls are made available for the students. Keeping in mind the prospects of the students Career Opportunity Cell, Campus interviews are focused.
