Mission:

We Shall ensure the Quality, reliability, and innovation thereby enhancing the sustainability and values for all stakeholders.

Values:

Knowledge- Expertise and Innovation

Action- Entrepreneurship and Integrity

Care- Trusteeship and Humility

Impact- Performance and Resilience

The values that guide our culture are embodied in our purpose-

"Doing Well and Doing Good "

Organization information:

It was the dream of two professionals to have their own pharmaceutical manufacturing unit. They always dreamed of manufacturing Standardized Ayurvedic Products. They wanted to be a media to spread this vast ancient knowledge to mankind in the form of effective products.

Reve Pharma came into existence in the year 2007. They were inspired by their mentors, Mr. D.J.Dhamne and Mr. Yogesh Deore, both with experience of about 45 years.

People

These two people, Milind Katariya and Anjali Katariya, after an experience of about 10 years, came together to build this dream and started with "Reve Pharma".

Reve Pharma has a board of technical directors, Dr. Anil Ghogre, Dr. C.L.Bhingare and Dr. Santosh Tambe.

Industry Overview:

Essnd derma started with an aim to provide formulation

development and contract manufacturing services to our
